

## Penthouse Garden Sponsorship Opportunities

We invite you to consider a specific sponsorship of an item needed for the garden. Each item requires a specific quantity to complete its role in the garden plan. Each sponsor name will be recognized either on the garden entry sign or some items may have plaques on them enabling the sponsor to add his or her own name or remember or recognize a loved one. Once the item quantity stated have been sponsored, the sponsorship closes.

If you have questions about specific items, please do not hesitate to reach out to Rosemary Dunne at 604-733-1441 (228) or at [lovelivesheregala@gmail.com](mailto:lovelivesheregala@gmail.com).
